

Calling All Artists! Help Decorate the WES Student Directory

WES THEME FOR 2024-2025: THE SKY IS THE LIMIT!

The 2024-2025 WES Student Directory will feature a collection of student artwork throughout the pages from rising K-5th grade students, including one selection for the cover by a rising 5th grader.

Your artwork will be printed in black and white, so please use **black ink only** (no color or pencil).

Remember to incorporate the theme, and please do not include the words “2024-2025 Student Directory”. We will include as many entries as possible and can’t wait to see and share your artwork! ***Get creative and show how “The Sky is the Limit” at WES!***

Please submit in the front office or scan and email to cgreco625@gmail.com no later than **8/9/24**
