

Calling All Artists! Help Decorate the WES Student Directory

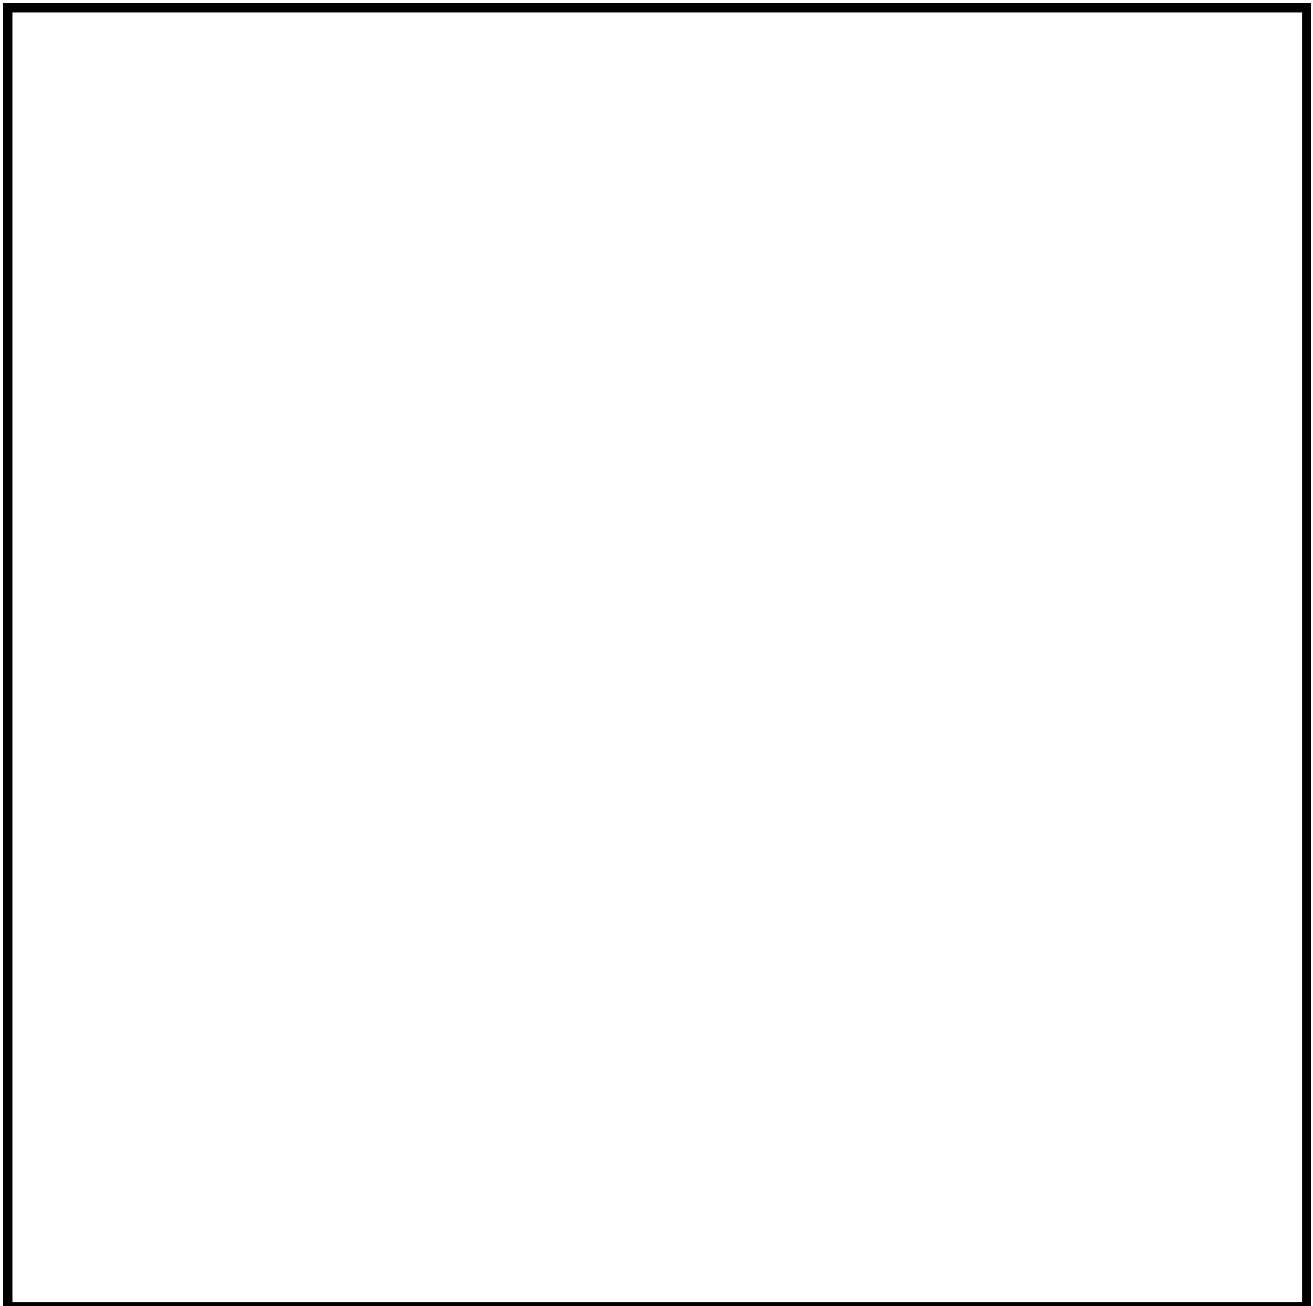

WES THEME FOR 2025-2026: GAME ON!

Throughout the 2025-2026 school year, students will level up their educational and social emotional skills and have opportunities to engage in friendly competition between classes and grade levels.

Get creative and show through your artwork how it will be “Game On” at WES! The Student Directory will feature student artwork throughout the pages from rising K-5th grade students, including one selection for the cover by a rising 5th grader. Art will be printed in black and white, so please use **black ink only** (no color or pencil). Please **remember to incorporate the theme**, and **do not** include the words “2025-2026 Student Directory”. We can’t wait to see and share your artwork!

Please submit in the front office or scan and email to cgreco625@gmail.com by 8/22/25.

Name: _____ Grade (2025-26): _____

A large, empty rectangular box with a thick black border, intended for students to draw their artwork. The box occupies the majority of the lower half of the page.
